Curriculum

- **Summer - Online Pre-MBA Courses**: You’ll take pre-MBA online courses in areas such as Excel and Financial Accounting designed to set you up for success in the program.
- **Fall Essential Business Skills**: The program starts by ensuring everyone has a common foundation in key analytical and quantitative business skills.
- **Spring Organizational Dynamics**: Here’s where things get really interactive. By that we mean intense, multi-day business simulations, cases and mock company scenarios.
- **Spring / Summer Cross-Cultural Experience**: The Local or International Experiential Project is a program highlight. Gain first-hand insights into business operations locally or globally.
- **Summer Innovation & Strategy**: Bring everything together and apply what you’ve learned. Using practical elements, explore your creative side, and gain an understanding of current topics, such as sustainability and entrepreneurship.
- **Work Term Professional Experience**: 3 options to choose from:
  - Undertake a 4-month paid work term
  - Start your own venture through Coast Capital Savings Venture Connection
  - Move straight into a permanent role
