PROGRESS YOUR CAREER, WITHOUT PAUSING IT

THE MBA FOR WORKING PROFESSIONALS

Beedie's Part-Time MBA in Surrey lets you progress or change your career without leaving the workforce. You'll study the latest business management theories and build your leadership skills two evenings a week.

This format lets you apply what you learn at work in between classes—delivering immediate value to you and your employer.

You'll travel through the 24-month program with a small, diverse cohort of fellow professionals, who all bring different perspectives to the table. It's a transformative experience that starts pushing your career forward from day one.

APPLIED LEARNING FOR WORKING PROFESSIONALS

GET AN INSTANT RETURN ON INVESTMENT

The Beedie Part-Time MBA curriculum covers core MBA knowledge and topics vital to operating in a constantly changing world, including innovation, sustainability and entrepreneurship.

You'll gain new perspectives and frameworks for thinking, analyzing, strategizing and leading, while improving your communication, presentation, negotiation, and other core management skills.

The schedule is convenient and flexible, and the workload is designed to be manageable for someone who is also working a demanding full-time job and juggling other commitments.

Beginning in January, you'll take classes on Monday and Thursday evenings at the accessible, connected SFU Surrey campus, plus a 3-day intensive that serves as a kickoff or capstone to each semester.

LEARN FROM YOUR PEERS

EXCHANGE IDEAS AND PERSPECTIVES

The Part-Time MBA's team-based approach encourages participation, discussion and direct feedback from instructors and fellow students. Your cohort is made up of experienced professionals with diverse educational backgrounds who work in a variety of roles.

EXPAND YOUR NETWORK

You'll be able to expand your network through events that introduce you to the many other students taking our range of graduate programs, including the full-time MBA program and the Management of Technology MBA.

COMBINE THEORY WITH APPLICATION

Cases and projects bring leading edge business theory to life. Cases are descriptions of real business scenarios that put you in the role of the decision maker. Assignments and class discussions mirror the challenging situations students encounter in business.

COMPETE AT THE MBA GAMES

Each year, Beedie sends up to 40 students to the MBA Games. The event provides opportunities to compete in finance, marketing, strategy and other live cases, as well as the chance to enjoy a host of other activities. We also provide financial support and other resources and help.

ATTEND CONFERENCES AND EVENTS

You'll have the opportunity to attend numerous events throughout the program, including industry conferences. These events provide invaluable networking opportunities, as well as the chance to get up-to-date about specific business areas.

ENHANCE YOUR CAREER

GET AN EDGE OVER THE COMPETITION

Your dedicated career advisor will help you to plan for success. We'll provide personalized support, useful resources and tools, and career-building skills to help you stand out.

CAREER PLANNING AND COACHING

Whether you already know where you want to go with your career or you're exploring all of your options, we are here to support your career journey. We'll start by providing you with self-assessment tools and then give personalized coaching on how to map out future possibilities, assess your fit in the marketplace and tap into the hidden job market. You'll have access to these services even after you've graduated.

MENTORS IN BUSINESS

Take advantage of the largest business mentorship program in Western Canada. Over 250 mentors are ready and waiting to give you the benefit of their experience. They'll help you expand your network and uncover opportunities.

SKILL-BUILDING WORKSHOPS AND ACTIVITIES

We're here to assist you through the entire MBA job search process by connecting you with jobs and internships, delivering skill-building workshops, providing mock interviews and networking events, and making personalized introductions within Beedie's extensive corporate network.

PART-TIME MBA STUDENTS

MANROOP JOHAL
Human Resources Manager, Atira Women's Resource Society

"I really appreciate that the faculty for the Part-Time MBA has such a diverse set of knowledge, skills and abilities that are reflected in the course material they present. Not only do the professors provide concrete information, they provide real-life examples and scenarios that illustrate this material. This practical knowledge allows us to apply what we are learning in the classroom at our workplaces."

KEVIN LEE
Distribution Manager, Western Canada for Granville Island Brewing.

"The strength of the cohort unquestionably lies in its diversity. My first discussion group consisted of someone with a Masters in Religious studies, a not-for-profit entrepreneur, and an accountant for a Fortune 500 company. The differences in worldview were astounding and definitely added to the discussion."

MICHAEL MEEHAN
Director of Energy Systems, mCloud Corp.

"The MBA program has helped change the way I approach problems, and how I interact with peers and customers on projects. The campus in Surrey worked out great for me. It's right on a Skytrain route, accessible to my home and office and the nice thing is it saves me from driving through Vancouver rush hour two nights a week."

FARZANEH ASHGARI
Business Analyst, Westland Insurance Group

"The program offers a great balance for people who work full time. Although difficult at first I found my capacity to do more grew through the program. Applying what I'm learning in my role makes for a better learning experience."

THE MBA THAT FITS WITH YOUR LIFE
